

What do you like to do with your friends?

## Read with the teacher and then answer the question below.

Today we're going to talk about how to make friends.

**Step 1:** Spend more time around other people. For example, sit with other people in your school **cafeteria**. You can't meet people if you are always alone!

Who do you sit with in the cafeteria?

## Read with the teacher and then move to the Word Focus.

**Step 2:** Join clubs or **extracurricular** activities so you can meet people who have the same interests as you. You can use **social media** to find and meet people in your **community**.

### **Word Focus**

- There are many kinds of social media, like WeChat and QQ.
- Do you use any kinds of social media?

Read with the teacher and then answer the question below.

**Step 3:** Keep in touch with people you have met. Let them know you remember them, but don't contact them too much, as you might put too much **pressure** on them.

How do you keep in touch with your friends?

### Read with the teacher and then move to the Word Focus.

**Step 4:** Once you start spending time with a new friend, be good to them. You should **initiate** activities, remember birthdays, and ask how they are doing. This will make your friendship stronger!

#### **Word Focus**

- It can be hard to initiate a conversation with somebody you don't know.
- Is it easy for you to initiate a conversation with others?

## Fill in the blanks.
